

Acknowledgements

We gratefully acknowledge the following people and organisations for their contribution to the development of the tools and their testing in South Africa:

- The South African Gender-based Violence and Health Initiative (SAGBVHI), especially Naomi Webster, Josephine Malala, Loveday Penn-Kekana, Lorna Martin, Lisa Vetten, Julia Kim and Naeema Abrahams
- Naomi Webster (Project Manager), Josephine Malala, Zanele Silo, Nwabisa Jama and Tanya Jacobs who collected data for the original study
- Jonathan Levin, Medical Research Council South Africa for assistance with the statistical analysis
- All the doctors, nurses, district managers, police, social workers and NGOs who were interviewed
- The National and Provincial Departments of Health for supporting this research, with special thanks to Esther Maluleke, Director, Gender Focal Point
- Rockefeller Foundation for funding the South African Gender-Based Violence and Health Initiative
- ICCO for funding the Women's Health Project contribution to the original research project
- UN Photo Library for permission to use UN/DPI PHOTO images in this guide

Sexual Violence Research Initiative

The Sexual Violence Research Initiative (SVRI) is hosted by the Gender and Health Research Unit, Medical Research Council, South Africa. The SVRI is an initiative of the Global Forum for Health Research. For more information visit www.svri.org
