VIOLENCE AFFECTS GIRLS AND WOMEN AT EVERY AGE AND STAGE OF LIFE

CHILD SEXUAL ABUSE
Approximately 20% of women and 5-10% of men report being sexually abused as children.³

FORCED/EARLY MARRIAGE
Latest international estimates indicate that more than 60 million women aged 20-24 years were married before the age of 18 years. About half of the girls in early marriage live in south Asia.⁴

INTIMATE PARTNER VIOLENCE
Globally, 30% women who have ever been in a relationship have experienced physical and/or sexual violence by their intimate partner.⁶

KILLINGS IN THE NAME OF HONOUR
A total of 1,957 honour killing events occurred in Pakistan from 2004 to 2007.⁷

FEMALE GENITAL MUTILATION / CUTTING
More than 125 million women and girls alive have been cut in 29 countries in Africa and the Middle East where FGM/C is concentrated.⁹

SEXUAL VIOLENCE
It is estimated that globally 7% of women have been sexually assaulted by someone other than a partner since age 15, although data is lacking in some regions.⁸

TRAFFICKING OF WOMEN AND GIRLS
11.4 million⁴

A FEW COMMON TYPES OF VIOLENCE
WHY DOES VIOLENCE AGAINST WOMEN AND GIRLS MATTER?

Violence against WOMEN and GIRLS...

is a profound symbol of gender inequality and social injustice

hurts girls’ and women’s bodies, minds and hearts

hinders social and economic development

prevents girls and women’s equal participation at every personal, social and political level

reinforces other forms of discrimination including based on disability, age, race, sexuality, HIV status, class and caste

is extremely costly – for families, communities and nations
Recognise violence against women and against girls as human rights violations, and a barrier to health and development. Speak out against violence, and allocate the needed resources to prevent and respond to violence.
CREATE EQUALITY

Develop and enforce national level laws, implement policies and strengthen capacities of institutions to address violence against women and promote equality between women and men.
Invest in violence prevention programming, to promote the empowerment of women, gender equitable social norms, non-violent behaviours, and effective non-stigmatising responses for violence survivors.
CHALLENGE SECTORS

4

Strengthen the role of the sectors (health, security, education, justice, etc) by integrating training on violence against women into curricula, allocating budgets, creating policies and implementing systems to identify and support survivors, as part of a co-ordinated multi-sectoral response.
INVEST IN RESEARCH AND PROGRAMMING

Support research and programming to learn how to best prevent and respond to violence against women and girls, inform policies and monitor progress.
