Exciting and Innovative Pre-Conference Workshops

21 October 2019
- Measuring violence against women (VAW): Challenges, tools and methods
- Integrating Feminist Self-care into VAW Programming and Organizations
- Participatory Monitoring and Evaluation of Violence Against Women and Girls Programs
- Understanding ‘Safety’ for Women and Girls: Measuring the effectiveness and outcomes of gender-based violence (GBV) risk mitigation in humanitarian settings
- Writing for Publication
- Elevating Practice-based Knowledge within Prevention Programming
- Telling stories through data: Harnessing the power of visual representations for violence research
- Statistics “101” on VAW for practitioners: Understanding and Interpreting the Numbers
- Costing your interventions for the prevention of Violence Against Women and Girls (VAWG) – a practical session to get you started and help you collect relevant data

20 and 21 October 2019
Story telling workshop

PLEASE NOTE: Workshops are not included in your conference registration and will need to be paid for separately. Workshop registrations will be on a ‘first come, first paid’ basis.

More information on these workshops can be found on our website http://www.svri.org/forums/forum2019/preworkshop.html

High Quality Side Events

The forum provides an excellent opportunity to showcase your work and host side events. Limited venues available, so if you are interested in holding a side event, please contact Mandy Salomo at mandy.salomo@mrc.ac.za.

World Class Exhibitions

To register for conference visit: http://www.svri.org/forums/forum2019/fees.html
To register for an exhibition stand: http://www.svri.org/forums/forum2019/exhibitors.html
