

Dear SVRI List Members

This SVRI Update contains a variety of sexual violence related research and resources. If you would like to have your sexual violence related resources included in the Update, please send your materials to svri@mrc.ac.za. For more information and resources on sexual violence and the Sexual Violence Research Initiative visit www.svri.org. Please note that the SVRI Updates are also available on our [Facebook](#) page.

Today's SVRI Update includes the following:
[Summaries directly taken or adapted from source]

- [I.](#) New call for proposals: SVRI and World Bank Development Marketplace for innovation on GBV prevention 2017
- [II.](#) Journal articles
- [III.](#) Online publications and resources
- [IV.](#) Research opportunities, grants and funding
- [V.](#) News
- [VI.](#) Events
- [VII.](#) Vacancies

- [I. New call for proposals: SVRI and World Bank Development Marketplace for innovation on GBV prevention 2017](#)

The Sexual Violence Research Initiative in partnership with the World Bank Group, through the SVRI and the WBGs Development Marketplace for innovations on GBV prevention and response in low and middle income settings, are seeking proposals for research and interventions or related activities that will contribute to the prevention and response of gender-based violence in low and middle income countries.

Up to US\$1.05 million to be awarded for work in low- and middle-income settings.

Closing date for applications is 1st October 2016 at 11:59:59pm South African Standard Time (4:59:59pm EST).

For more information on this call click [here](#).

- [II. Journal articles](#)

Please note, to obtain a full copy of a journal article you may write to the author given as the contact person by the respective publishing house to request a copy.

[Mediating role of parenting styles between emotional abuse and neglect, and the occurrence of](#)
