

Dear SVRI Members

SVRI World Bank Group Development Marketplace 16 Days Blog Series

During the 16 Days of Activism Against Gender Violence, [SVRI Blog](#) and [Voices](#) will feature guest posts on the innovative projects supported through the [Development Marketplace for Innovations to Prevent Gender-Based Violence](#). Through this award, the World Bank Group and the SVRI disbursed over US\$1million to advance evidence-based interventions in GBV prevention in low- and middle-income countries.

Sexual violence is a global issue that requires coordinated evidence-based responses.

The Sexual Violence Research Initiative is hosted by the Medical Research Council, South Africa. The SVRI aims to increase awareness and promote research on sexual violence and its linkages to other forms of violence to influence policy and practice, particularly in low and middle income countries.
