

# 21 NOV WEBINAR: BEING HEARD

2-3pm SAST [View corresponding times [online](#)]

The “Being Heard” project aims to promote the ethical, meaningful and participatory involvement of young people in sexual violence research & events. As part of the project, the SVRI in partnership with 10 young researchers & 5 facilitators from 5 different countries developed a toolkit to guide young people’s ethical and meaningful participation in SVRI Forums and events. In addition, the International Centre reviewed international evidence on youth engagement in participatory research on sexual violence. In this webinar, you will hear about findings of the review; more about the toolkit; see videos of the project and stories from the young researchers on their experience of the project.
