| <a href="#"><u>British Council Travel Grants</u></a>                   | British Council                                              | These grants provide funding for researchers to travel to or from the UK, to attend conferences, workshops or short courses. They can also provide funding for travel to partner institutions to develop international collaborative links.                                                                                                                       |
| <a href="#"><u>Ford Foundation - Supporting Sexuality Research</u></a> | Ford Foundation Sexuality and Reproductive Health and Rights | In the United States and globally, we support efforts to strengthen and expand research that addresses the diverse social and cultural dimensions of sexuality and reproductive health.                                                                                                                                                                           |
| <a href="#"><u>Fulbright Scholar Programmes</u></a>                    | Council for International Exchange of Scholars               | The Fulbright Scholar Programmes offer faculty, administrators, and professionals grants to lecture, conduct research, or participate in seminars. Deadlines vary by programme.                                                                                                                                                                                   |
| <a href="#"><u>Grindley Grants for Conference Attendance</u></a>       | The Experimental Psychology Society.                         | The purpose of the fund is to finance travel at any academic conference relevant to the applicant's work that falls within the domain of Experimental Psychology Society's interests as defined by the content of the Society's journals. Grants to attend non-EPS conferences are normally given only to those making a presentation. Grants are limited to £500 |
| <a href="#"><u>John. E. Fogarty International Center</u></a>           | U.S. National Institutes of Health                           | This Short-Term Travel Grants Directory contains information on additional funding opportunities that support travel for the purpose of research or training. Opportunities span every nation of the world and range in duration from a few days to a year or more.                                                                                               |

|                                                                          |                                                          |                                                                                                                                                                                                                                                     |
|--------------------------------------------------------------------------|----------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <a href="#">New Zealand National Commission for UNESCO Travel Grants</a> | New Zealand National Commission for UNESCO               | The Commission has limited funds available to assist New Zealanders wishing to attend international conferences. Funding applications for up to 50% of the cost of a return economy class flight will be considered.                                |
| <a href="#">Open Society Foundations Travel and Event Grants</a>         | Open Society Foundations International Women's Programme | The Open Society Institute International Women's Program (IWP) supports and helps build the capacity of national and regional women's groups, human rights groups, and other relevant organizations to undertake advocacy, education, and outreach. |
| <a href="#">West African Research Centre Travel Grant 2011-2012</a>      | Boston University                                        | This grant offers travel costs up to \$1500 and a stipend of \$1500 to selected scholars. This competition is open only to West African nationals affiliated with institutions of higher education. Application deadline: 15 March 2011             |
