Women’s self-esteem, self-efficacy and perception of gender roles in a former conflict zone: baseline findings in South Kivu, DRC

**Figure 3: Perceptions of gender relations: percent of women who "disagree", by self-reported self-efficacy**

- If a woman drinks alcohol and wears miniskirts,...
- A man cannot control himself when he wants sex
- If a wife does something wrong she should...
- A woman can refuse to have sex with her...
- Sometimes a man may have good reason to hit...
- Men should share the work around the home...
- A woman should listen to her husband
