Context

2006 - Gender Equality Law
2007 - Law on Domestic Violence Prevention and Control

But

- There are gaps in the implementation of the laws
- No national data on VAW
- Domestic Violence was considered as:
  ‘culturally sensitive issue’
  ‘family affair’,
  and not an issue in the society.
The 1st national survey on DV against women and girls – 2010

58% of ever married women have experienced at least one form of violence.

87% survivors did not seek help.

How to visualize these shocking numbers?
