

SEXUAL VIOLENCE RESEARCH INITIATIVE

22 MARCH 2018

NEW PUBLICATIONS (BY SVRI AND PARTNERS)

[Exploring links between common mental health problems, alcohol/substance use and perpetration of intimate partner violence: A rapid ethnographic assessment with men in urban Kenya.](#) Schafer A, Koyiet P. *Glob Ment Health (Camb)*. 5, e3, 2018: This study explores common problems faced by men and local perspectives about the links between men, mental health, alcohol use and gender based violence.

JOURNAL ARTICLES

[Prevalence and risk factors of physical or sexual intimate violence perpetration amongst men in four districts in the central region of Ghana: baseline findings from a cluster randomised controlled trial.](#) Chirwa E.D, Sikweyiya Y, Addo-Lartey A.A, Ogum Alangea D, Coker-Appiah D, Adanu R.M.K, Jewkes R. *PLoS One*. ePub, 13(3), 2018: This study aims at assessing past year prevalence and risk factors for sexual or physical intimate partner violence perpetration among men. (Source: *Safetylit*).

[Intimate partner violence among transgender youth: Associations with intrapersonal and structural factors.](#) Goldenberg T, Jadwin-Cakmak L, Harper G.W. *Violence and Gender*. 5(1), ePub, 2018: This study seeks to understand how structural and individual factors are associated with intimate partner violence among transgender and gender nonconforming youth. (Source: *Mary Ann Liebert, Inc. publishers*).

[Violence against children in South Africa: the cost of inaction to society and the economy.](#) Hsiao C, Fry D, Ward C.L, Ganz G, Casey T, Zheng X, Fang X. *BMJ Glob. Health*. 3(1), ePub, 2018: This paper discusses ways in which preventing and ending violence against children may be prioritised in South Africa through, for instance, intersectoral collaboration and improving routine monitoring data, such as through the sustainable development goals. (Source: *Safetylit*).

[Intimate partner violence against low-income women in Mexico City and associations with work-related disruptions: a latent class analysis using cross-sectional data.](#) Gupta J, Willie T.C, Harris C, Campos P.A, Falb K.L, García Moreno C, Diaz Olavarrieta C, Okechukwu C.A. *J. Epidemiol. Community Health*. ePub, 2018: This study investigates associations between multilevel latent class analysis membership and intimate partner violence-related employment disruptions. (Source: *Safetylit*).

[Why is fraternity membership associated with sexual assault? Exploring the roles of conformity to masculine norms, pressure to uphold masculinity, and objectification of women.](#) Seabrook R.C, Ward L.M, Giaccardi S. *Psychol. Men Masc*. 19(1), 3-13, 2018: In this study, researchers use Structural Equation Modelling to test whether endorsement of traditional masculinity explains why fraternity membership is associated with greater rape myth acceptance and more sexual deception behaviours in a sample of 365 undergraduate men. (Source: *Safetylit*).

ONLINE RESOURCES

[The policing of sex work in South Africa: A research report on the human rights challenges across two South African provinces.](#) Evans D, Walker R. *Sonke Gender Justice and SWEAT*. 2018: This report highlights both the patterns and themes of the human rights violations experienced by sex workers; and the challenges for sex workers and their advocates in achieving effective strategic engagement with police to address the violations. (Source: *Institute for Security Studies*).

Sexual violence is a global issue that requires coordinated evidence-based responses

The Sexual Violence Research Initiative is hosted by the Medical Research Council, South Africa. The SVRI aims to increase awareness and promote research on sexual violence and its linkages to other forms of violence to influence policy and practice, particularly in low and middle-income countries.
