

# SEXUAL VIOLENCE RESEARCH INITIATIVE

24 MAY 2018

The SVRI Update will not be published next week, May 31, due to the SVRI's Strategic Planning Workshop. The next issue will be published on June 7.

## RESOURCES BY SVRI AND PARTNERS

[The relationship between parent mental health and intimate partner violence on adolescent behaviour, stigma and school attendance in families in rural Democratic Republic of Congo. Glass N, Kohli A, Surkan P.J, Mpanano Remy M, Perrin N. Global Mental Health. 5, e20,1-12, 2018:](#) This study examines the relationship between parent mental health and experience/perpetration of intimate partner violence and adolescent behaviours, stigma, and school attendance.

## JOURNAL ARTICLES

[Help-seeking behaviours for intimate partner violence perpetration by men receiving substance use treatment: a mixed-methods secondary analysis. Hashimoto N, Radcliffe P, Gilchrist G. J. Interpers. Violence. ePub, 2018:](#) This article examines the prevalence, characteristics, and barriers associated with intimate partner violence perpetration disclosure and help-seeking. (Source: Safetylit).

[Social integration and domestic violence support in an Indigenous community: women's recommendations of formal versus informal sources of support. Gauthier G.R, Francisco S.C, Khan B, Dombrowski K. J. Interpers. Violence. ePub, 2018:](#) This study explores the relationship between social integration and women's access to domestic violence support by examining the recommendations they would give to another woman in need. (Source: Safetylit).

[Risk and protective factors for intimate partner violence against women: Systematic review and meta-analyses of prospective–longitudinal studies. Yakubovich A. R, Stöckl H, Murray J, Melendez-Torres G. J, Steinert J.J, Glavin C.E.Y, Humphreys D.K. American Journal of Public Health. e1-e11, 2018:](#) This article examines the association between prospective-longitudinal risk and protective factors and intimate partner violence. (Source: University of Oxford).

[Networked individuals, gendered violence: a literature review of cyberviolence. Backe E.L, Lilleston P, McCleary-Sills J. Violence and Gender. ePub, 2018:](#) This study evaluates how cyberviolence has been broadly conceived and studied in the scientific literature, and assesses the state of primary research in the cyberviolence field, identify gaps, and provide directions for future research. (Source: Liebert Publishers).

## ONLINE RESOURCES

[The effectiveness of a model for addressing school-related gender-based violence \(SRGBV\) in South Africa: an evaluation of the 'zero tolerance school alliance'. Nicholson F, Mukaro T. TVEP: Limpopo Province, South Africa. 2018:](#) This study explores the prevention and response to school-related gender based violence in South Africa. (Population Council).

[Podcast: What does ethical storytelling have to do with GBV data?](#) In this podcast, presenters discuss ways in which story telling can be used ethically in communicating gender based violence data. (GBVIMS).

### Sexual violence is a global issue that requires coordinated evidence-based responses

The Sexual Violence Research Initiative is hosted by the Medical Research Council, South Africa. The SVRI aims to increase awareness and promote research on sexual violence and its linkages to other forms of violence to influence policy and practice, particularly in low and middle-income countries. To learn more about the SVRI visit our website [www.svri.org](http://www.svri.org) or contact us at [svri@mrc.ac.za](mailto:svri@mrc.ac.za)
