

# MOORE

PREVENTING CHILD SEXUAL ABUSE

Elizabeth Letourneau, PhD, Director and  
Moore Family Professor & Director

# The Future of Prevention in Every Country

---

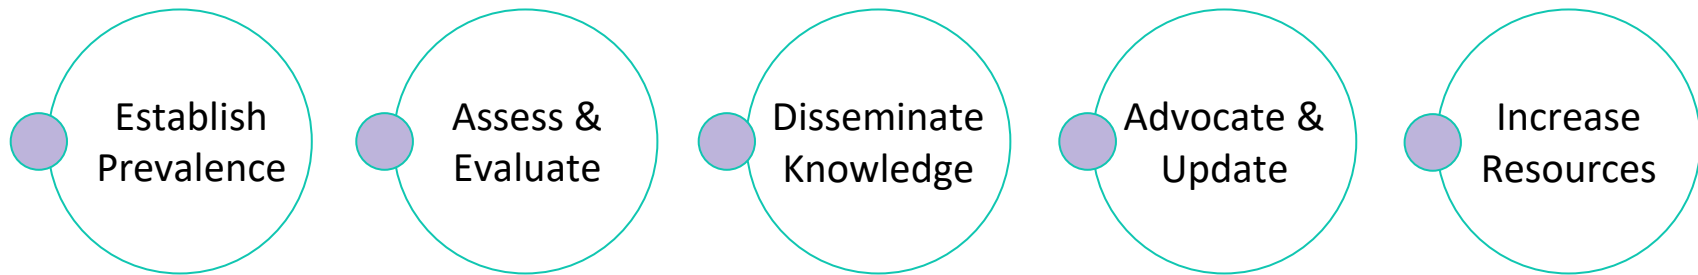

It is possible and essential to:

- establish baseline victimization and perpetration prevalence estimates
- develop and scale effective perpetration prevention strategies globally
- prevent the onset of youth problem sexual behaviors

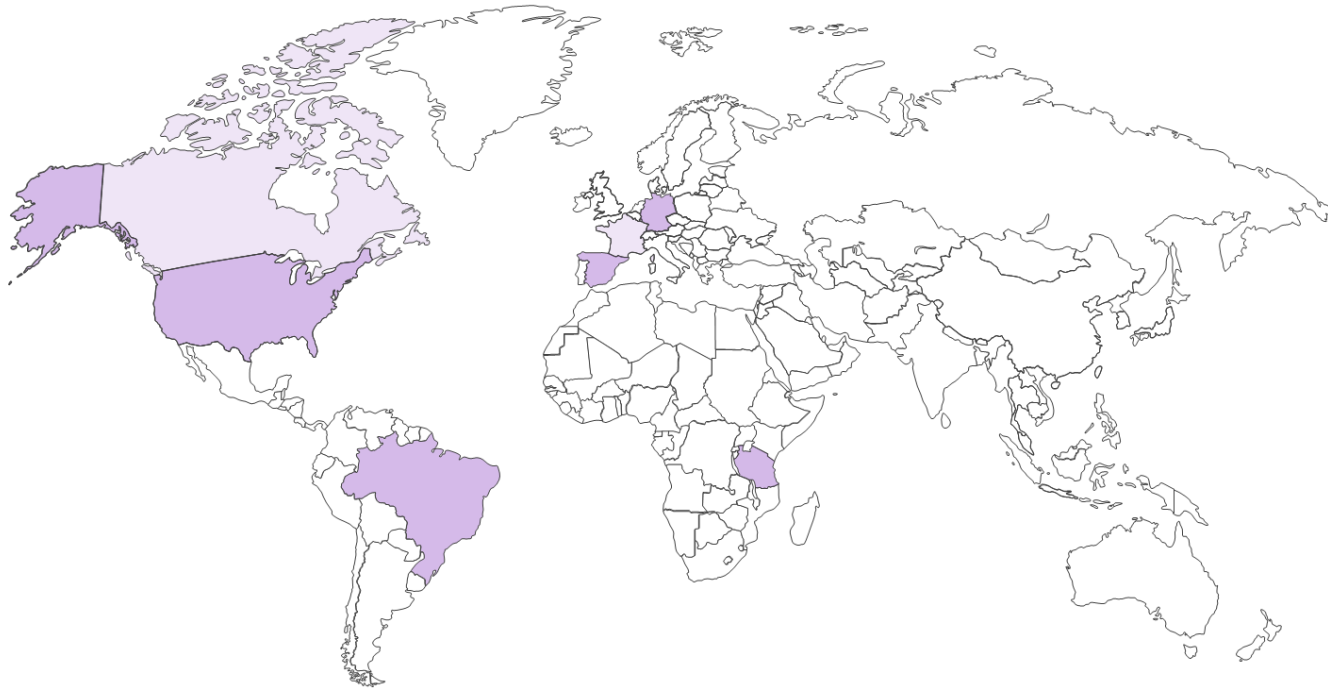

# **PREVENTION** GLOBAL

# PREVENTION GLOBAL PURPOSE & OBJECTIVES

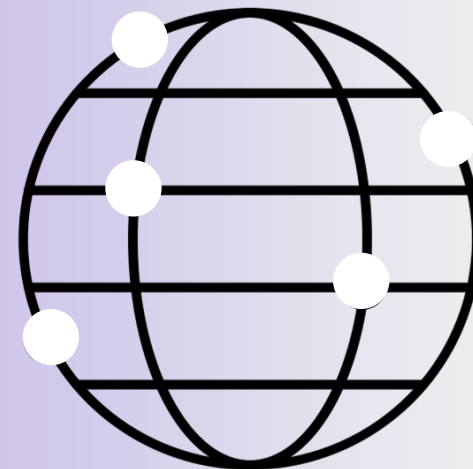

# PERPETRATION PREVALENCE
